

WORKSHOP OF THE WORKING GROUP ON FIGHTING TERRORISM

On April 12-14, 2011 in Reichenau (Austria) the Deputy Head of the Center for Political Studies at “Noravank” Foundation Sergei Sargsyan on the invitation of the “Partnership for Peace” Programme Consortium of the Defence Institutes and Research of Security Issues participated in the workshop of the Working group on fighting terrorism. The main subject for the discussion was the issues of improving the international cooperation between the states while struggling with the radicalization and wrecking terrorists’ plans. At the workshop such issues as problems in different countries of Europe, which nourish the extremist moods, exchange of experience in opposing the terrorists and etc. were considered.
