

### **Conference devoted to the issues of the European Neighbourhood**

Sevak Sarukhanyan delivered a report on his presentation made at the conference on the issues devoted to the European neighbourhood held on April 17-19 in Tbilisi. One of the goals of the event arranged by Levan Mikeladze Foundation and Friedrich Ebert Foundation was the discussion of the relations of the countries of the South Caucasus with the EU in economic, political, social and judicial and energy fields. S. Sarukhnyan's presentation was devoted to the energy and the main attention in it was paid to the unrealized possibilities the EU had in the aspect of diversification of the energy sphere of Armenia.
